

INFORMED CONSENT TO PARTICIPATE IN RESEARCH

1. Title, Project Supervisor

Dear participant,

You are invited to take part in a research project conducted as part of a study coordinated by Prof. Marco Faillo. Before deciding whether to participate, it is important that you have all the necessary information to make an informed and responsible choice. Please read this document carefully and feel free to ask the researchers any questions by sending them a message on Prolific, or sending an email to marco.faillo@unitn.it.

2. Brief Description and Objectives

The research project aims to analyze individuals' behavior in relation to certain attitudes and decisions in the economic domain, using incentivized economic experiments as its main research methodology.

To achieve this goal, researchers intend to involve participants in stylized decision-making scenarios and a short, anonymous online questionnaire.

3. What Does Participation Involve?

Participation in the project involves completing some simple decision tasks and answering a few questions. The entire activity will take approximately 20 minutes. Participants will receive a fixed payment plus an additional amount depending on the outcomes of their decisions, as described in the instructions.

4. Potential Benefits, Discomforts and/or Risks of Participation

Participation is voluntary. There are no specific social, economic, or legal risks, nor any significant emotional stress associated with taking part in this study.

5. Withdrawal from the Study

You have the right to withdraw your consent at any time, without notice or the need to provide a specific reason.

6. Feedback

You have the right to request information about the results and outcomes of the study. For this purpose, you may contact the following researchers:

Marco Faillo: marco.faillo@unitn.it

7. Measures to Ensure Anonymity

All data will be collected anonymously.

In any case, data will be used exclusively for scientific and statistical purposes, in compliance with current data protection laws. Results will be published in summary form, and no short excerpts will be attributable to individual participants.

8. Contacts

For any questions or further information regarding the study, you may contact:

Marco Faillo: marco.faillo@unitn.it

He will be available to provide any clarification or additional information.

By clicking "Proceed," you:

DECLARE

That you have read the information sheet above, understood the information it contains, and any further oral information provided by the research staff of the project;

That you understand that participation in the study is completely voluntary, and that you may withdraw from the study at any time, without having to provide an explanation and without suffering any disadvantage or prejudice;

That you understand the nature of the study, the activities involved, and any potential risks.

AND

CONSENT

To participate in the study, with the understanding that this consent is given freely and can be revoked at any time without any disadvantage or prejudice.
